Matters arising from minutes

A letter had been received from S&GM Clements regarding the minutes of 4th July/R.D.C. No 6 The Orchards. It was read out and decided to reply "We appreciate you have a job to do and there may be some disruption but as long as you are aware that parking and access need consideration to residents. That should resolve issues raised" A letter to go to S&GM Clements

Hedges and Footways-Phil Gospel has been tasked with the removal of the hedge adjacent to the footway near the A170/Colley Lane. Yorkshire Housing Association and the resident refuse to do anything about the state of it and it has become a menace to pedestrians
Mrs Norma Ward has asked that the state of the bank to the east of the A170/High Lane junction be brought up at this meeting. Cllrs agreed to contact both N.Y.C.C. for advice.

Cheque issued to Nawton Parish Council for Jubilee medal-£67

Ryedale School 3G Pitch-Funding Email sent asking how would the possible shortfall in funding of this project affect our council taxes in the coming year[s] No reply to the first email, resent and told to go to R.D.C. as they did council tax!
